### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or fairly suggest a device or method for performing numerical value conversion with a combination of elements as recited in the claims, wherein the N-bit digital input value having variable bit-lengths including a first bit length and a second bit length different than the first bit length, and the arithmetic logic unit generating a final digital output value being expressed in Q bits, the Q bits of the final digital output value comprising the digital output value of the arithmetic logic unit having the first bit length and trailing zeros or the digital output value having the second bit length and trailing zeros.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chuong D. Ngo whose telephone number is (571) 272-3731. The examiner can normally be reached on Monday-Friday.
